Fancy something different?

- **Make a story sack** – choose your favourite book. Gather together some items (or make some picture cards) that have something to do with the book. Can your family guess which story it is?
- **Get creative with words** – write a poem, song or rap about something you enjoy. Perhaps you could change the words to one of your favourite songs or write an acrostic poem about your pet.
- **Read somewhere different** – choose somewhere interesting to read a book – you could send us a photo!
- **Write a letter or postcard** – write a letter or postcard to a family member or friend to tell them what you have been doing and asking them what they have been doing and checking that they are feeling ok.

Reading Pro Summer Challenge!!!

Don't forget to keep reading and completing quizzes about the books.

Blue Abyss – There are many tasks on the Blue Abyss homework sheet that you could complete.
