Watch The Legend of the Crabbe Phare (<https://www.literacyshed.com/crab-phare.html>)

Retell the story using some of the grammatical features you have revised this week.

This is a good opportunity to practise note taking. Watch the film through once without stopping. Then watch the film again, this time stopping after every 30 seconds or so and write a sentence or two about the action.

You could make a cartoon strip or a story board to help you plan what you are going to write.

Reading Pro Summer Challenge!!!

The year 3 and 4 teachers want to know who can read the most words between 1st of June and 17th July.

To take part you must read a book and then complete the relevant quiz on Reading Pro. Your class teacher will keep a total of the number of words you have read. At the end of the summer term the teachers will compare the number of words read and award prizes for our top readers!

As the challenge is related to the number of words read rather than the number of books read it does not matter whether you read long or short books, easy books or tricky books. You could even listen to an audiobook and then do a quiz!

Good Luck!
