

WB 8.6.20 Week 9 English

Welcome to week 9 of Home learning!

Please follow the BBC Bitesize lessons for the week. The focus this week for both year groups is:

- Mastering inverted commas
- Using a dictionary
- Using a thesaurus
- Exploring synonyms and antonyms

<https://www.bbc.co.uk/bitesize/dailylessons>

- This blog is a lovely creative writing activity that is linked to our work on the coral reef:

<https://tfwconsulting.wixsite.com/jamiethomas/post/day-16-coral-creative-ideas-for-teaching-english-and-maths-at-home>

- Writing Challenge – The King of the Fishes

The link below takes you to a booklet that guides you through how to write a story (you don't need to print it, you can look at it on screen and write in books).

The task is aimed at year 4 but if you are in year 3 and fancy a challenge you can try too. This will probably take you longer than a week to complete and if you do write a story we would love to read it.

Reading Pro Summer Challenge!!!

The year 3 and 4 teachers want to know who can read the most words between 1st of June and 17th July.

To take part you must read a book and then complete the relevant quiz on Reading Pro. Your class teacher will keep a total of the number of words you have read. At the end of the summer term the teachers will compare the number of words read and award prizes for our top readers!

As the challenge is related to the number of words read rather than the number of books read it does not matter whether you read long or short books, easy books or tricky books. You could even listen to an audiobook and then do a quiz!

Good Luck!
